Group Rate Waiver & Information

I understand the rates and terms that are written above and:

My group must have at least ten visitors on the day of our visit to be considered for the group rate.

Upon arrival to the Algonquin Swimming Pool & Splashpad, our group will check-in with the pool manager on-site.

The pool manager will take headcount for my group and this will be considered the Final Count for my group.

A representative from my group will fill out a Final Count Form with the pool manager.

The Final Count Form will be used for invoicing our agency.

An invoice will be sent to our organization for our visit, and payment will be due upon receipt of invoice or by the due date indicated on the invoice.

I have read and understand the attached Algonquin Pool & Splashpad Rules.

I will have adequate adult supervision for any persons 17 and under in our group.

Our group contact and all of its adult supervisors will obey and enforce all facility rules with our group members.

I am responsible for all actions and behaviors of my group during our visit to the Algonquin Swimming Pool & Splashpad.

No refunds are issued for daily admission and season pass fees.

Staff is here to act in the event of an emergency and may enforce additional rules as deemed necessary.

Dear Algonquin Swimming Pool & Splashpad Visitors,

Fecal contamination or vomit in or around a pool poses a serious health risk to all using the facility. While the Village of Algonquin does maintain adequate chemicals to prevent contamination from such exposures to all swimmers visiting our swimming pool, we ask and encourage all swimmers to demonstrate appropriate steps to minimize contamination by wearing swim diapers if necessary.

When an accident occurs (either defecation or vomit), we are forced to shut down operations for a period of time to properly clean and sanitize our facility. Our goal is to reduce the spread of disease and inconvenience to swimmers. For the health and safety of our swimmers and staff, please adhere to the following guidelines:

- The age for potty training varies from child to child, parents/guardians must continually monitor their child(ren)'s bathroom needs when at the pool. For recently potty trained swimmers, the sensation may not be as intense when they are in the water, so constant reminders are helpful.
- If you suspect another swimmer visiting the pool may need to use a swim diaper, please speak directly to a pool employee regarding your concern so that it can be appropriately addressed.
- Swimmers of any age who are not 100% potty trained must wear tight fitting plastic pants or an approved swim diaper. **Huggie's Little Swimmer pants are NOT an approved swim diaper, as they do not provide a tight seal around the legs.** Approved, reusable swim diapers are sold at the front counter for \$7 and are sold in local stores.
- Swimmers with intestinal distress (diarrhea or vomiting) or contagious illness are not permitted in the pool. If you or your child(ren) may be sick with diarrhea, high fever, or vomiting, please stay home to avoid getting others sick.
- In the event a swimmer has an accident in the swimming pool, the swimmer will be required to leave the facility and will not be permitted back into the facility without wearing an approved swim diaper.
- In the event a swimmer has contaminated the pool while wearing an approved swim diaper, he/she will be required to leave the facility and not return until an approved swim diaper that snugly wraps around the legs is worn.
- The Village of Algonquin reserves the right to charge the patron and/or patron's parent for cleaning and lost revenue due to closure from contamination.

Thank you for your cooperation with the enforcement of this policy and keeping our facility safe for all visitors and staff. Should you have any questions regarding these policies, please see the Pool Manager, or you may contact the Village Hall by calling (847) 658-2700 or emailing recreation@algonquin.org.
