## Estate Planning for Young Adults

Why do young adults, including those who may be planning for or going off to college, or entering the workforce, need at least basic estate documents? Why is financial planning and possibly planning for college expenses, something that both the young adult and their parents should be discussing, both before and after the young adult reaches the age of 18? Nonfinancial documents, such as health care powers of attorney and HIPAA authorizations, authorizing parents, or not, to have access to certain school or medical records that they would no longer be able to obtain because of the child's age, are topics for discussion.

## Algonquin Affiliate Organizations

In an effort to help educate Algonquin residents about league/club groups based out of and serving Algonquin residents, as well as to maintain a commitment to keeping the Village's fields properly scheduled and maintained, the Village has developed an Affiliate Organization Program for youth athletic club/league groups wishing to use Village-owned facilities. The Affiliate Organizations are separate, non-profit, volunteer entities that conduct registration and coordination for their recreational and/or travel league/club practices, scrimmages, meets, games, etc. Following is a list of the approved Affiliate Organizations in the Village of Algonquin. These organizations should be contacted directly regarding questions for registration and/or becoming a volunteer.
